

Our Line Card

1254

TWELVE FIFTY FOUR INDUSTRIES

Southern California based manufacturer of high quality outdoor ornamental street and area lighting, site amenities and general custom fabrication.

Complete Integrated LED Lighting Solutions

Complete integrated LED lighting solutions including full line of fixtures and controls. Custom design and fabrication.

Polymer concrete and fiberglass products for the utility industry.

ABB

Asea Brown Boveri

Full range of low voltage solutions to connect, protect, control and measure electrical installations and devices.

Electrical raceway systems for above and below ground applications.

LED light fixtures for indoor and outdoor applications.

POLES & LIGHTING

Complete line of steel and aluminum poles, brackets and bases for outdoor lighting specializing in custom

LED lighting, electric vehicle charging stations, wireless controls and energy storage.

Digital lighting controls solution provider offering complete centralized and stand-alone systems including controllers, relay panels, sensors, and switch stations for commercial, educational, and sports facilities.

Complete handrail solutions to include: LED illuminated handrails, standard guardrails, stairway handrails, and spiral staircase handrails.

Emergency Lighting, Exit Signs, High Bays, Wall Packs, Flood Lights and Canopy Lighting.

Designers and manufacturers of architectural quality solar lighting for pedestrian applications.

FLUKE

Full line of test tools and infrared cameras.

foreverlamp®

Innovative market leader in high power, high-lumen lighting.

Galvan
Ground rods, clamps, and accessories.

GE
Lighting

Quality producer of lamps, ballasts and lighting fixtures.

G | Lighting

Quality architectural lighting products merging technology with art and design.

GRUPO MCI

Architectural luminaries manufactured exclusively with LED lighting products.

Hoffman

Steel, stainless steel and non-metallic enclosures and cable management systems.

High quality decorative outdoor lighting fixtures, fabricated metal poles, arms and site furnishings.

LAMP

L I G H T I N G

Provider of efficient lighting solutions for outdoor applications and control systems.

LED ROADWAY LIGHTING

World leader in the design and manufacturing of LED based street lighting and control systems.

LEVITON

Industry leading manufacturer of lighting controls, low voltage, occupancy sensors, dimming systems, EVCS and sub-metering.

LTS

L I C H T & L E U C H T E N

German manufacturer of modern and stylish performance lighting including down lights and accent.

LUMATEQ

Green-LED floodlights and wall packs.

LumiGrow

The power of spectrum control.

Premiere software and hardware leader in spectrum control lighting systems resulting in bigger crop yields and massive energy savings.

LUNERA

High performance plug and play LED replacement lamps for CFL and HID.

High performance plug and play LED replacement lamps for CFL and HID.

NORIBACHI

Leading US based premiere LED lighting manufacturer for high output commercial and industrial applications.

Contemporary, European style lighting for the decorative and design community utilizing halogen fluorescent, HID and LED.

California based supplier of high-efficiency, super bright LED luminaires for indoor and outdoor applications.

Leading designer and manufacturer of high-performance, energy efficient retrofit lighting platforms.

Manufacturer of HID, halogen, fluorescent, LED and xenon lamps and fixtures.

RepublicConduit

American made EMT, IMC, GRC, and rigid aluminum conduit.

LED lighting solutions for the industrial and commercial markets.

Innovative provider of contemporary residential and commercial luminaires for interior and exterior use.

Contemporary European styled lighting for commercial applications.

Largest producer of cable in the United States including copper and aluminum from low voltage to 35,000 volts. Flex and liquidtight, Cable in Conduit (CIC), cable pulling, and storage equipment.

STRESSCRETE GROUP

Oldest and most experienced manufacturer of spun concrete poles in North America producing an extensive line of ornamental and street lighting standards, power distribution and transmission poles and sports lighting.

Thomas&Betts

Steel City, Superstrut, TY-RAP, Red-Dot, OCAL, Carlon, Sta-kon, T&B, Blackburn brands.

United Copper Industries
Quality USA made copper wire producer to include THHN-2, metal clad, NM-B and bare.

Comprehensive line of ballasts, dimming systems and LED retrofit kits.
